

Exterior and Interior

Transit Mirrors

8 x 15 Split Arm Auto Return Mirror

Hadley leads the transit bus mirror industry with innovation to improve safety and reliability. The innovative common mirror meets the styling and functional needs of the newer style transit buses and improves collateral warranty histories.

The multiple head configurations allow proper driver visibility, and the increased clamping force extends the split bracket life by reducing normal wear and tear caused by bus washing. Hadley's improved styling means no exposed fasteners or external plugs.

THE HADLEY DIFFERENCE

Quality • Reliability • Customer Service

- ▶ Better Durability in Bus Wash
- ▶ Multiple Vision Angles
- ▶ Improved Styling
- ▶ Reduced Vibration
- ▶ Increased Clamping Force
- ▶ Integrated Molded Connector
- ▶ Auto Return Option
- ▶ Meets or Exceeds All FMVSS Regulations

Exterior Mirrors

FEATURING:

- ▶ **Dovetail Mount**
Less vibration, increased reliability and quick release for easy replacement with molded connector.
- ▶ **Exclusive "Wirechase" Design**
Available on all exterior mirrors.

- ▶ **Multiplexing Technology Available**

- ▶ **Innovative 9" x 13" Mirror**
Increases curb height on low floor buses - 2" gain on head clearance, and wider head for increased view area!

BRT MIRRORS

Advanced BRT design, aesthetically pleasing with Hadley durability.

Head Options

- ▶ 9" x 13" ▶ 10" x 11"
- ▶ 8" x 15" ▶ 8" x 11"
- ▶ Manual: Heated or Non-Heated
- ▶ Remote: Heated or Non-Heated

Glass Options

- ▶ Full Face: Flat & Convex
- ▶ Full Face with Stick-On Convex
Add-on convex mirror sizes:
 - 5" round
 - 6" round
 - 5" x 7" rectangular
